TOX HOME CARE INSTRUCTIONS Jeuneau, Botox Cosmetic, Dysport, Daxxify

- No exercise for the remainder of the day after your treatment.
- Do not massage or rub the treated area(s). If wearing a hat on treatment day, please be sure there is no pressure on treated area(s).
- Avoid lying down for at least 4 hours after treatment.
- Refrain from getting a massage for 7-10 days after your treatment.
- No waxing in the treated area for 1 week after your treatment.
- The effects of the Tox products usually begin around day 3 with final result by day 14. *If adjustments are needed to your treatment, they can be done 2-3 weeks post your initial treatment. We are unable to do adjustments beyond the 3 weeks.
- **It is very important that you call us with concerns. Any adverse reactions need to be reported to us immediately.** A follow-up for reactions will be necessary within 2 weeks of the treatment date.

During business hours call or text 608-240-0088. After business hours call or text Taylor Hill, FNP at 608-575-1750 or Anne Pientka, RN at 608-513-8699.
